Wellpartner unlocks specialty 340B savings. By leveraging our administrative services with our fully accredited specialty pharmacy, we provide covered entities with the solutions they need to optimize their 340B program.

**Creating value
when it matters most**

Are you...

Maximizing your claims capture rate, especially as it relates to 340B eligible specialty prescriptions? Experiencing challenges in managing specialty prescriptions in the 340B program due to complex compliance, audit and inventory requirements? Looking for ways to access limited specialty networks?

You can count on us.

Specialty drugs have the potential to be your largest 340B savings opportunity. By combining the benefits of 340B CONFIDENT, along with Wellpartner Specialty Pharmacy we unlock specialty drug 340B savings by providing expanded plan network participation. Wellpartner enables our customers to maximize the economic benefits of the 340B program, which helps them to better support their community, serve more patients and provide vital services to those who need it most.

Delivering consistent, industry-leading results is what we stand for in everything we do. Optimizing your 340B drug program is our number one priority. We will work with you to create value when it matters most.

**Wellpartner is your trusted partner
in creating value when it matters most.**

You can count on us with:

- ✓ Maximizing opportunity for prescription claims capture and 340B program growth by providing access to exclusive specialty pharmacy networks.
- ✓ Ensuring your contract pharmacy network performs at the highest level.
- ✓ Providing a dedicated account manager in the field to help educate physicians, prescribers and clinic managers and encourage appropriate special pharmacy utilization.

Your added value:

- ◆ Unlocking specialty prescriptions within eligible 340B programs for all payors.
- ◆ Increasing specialty script capture will drive growth and value for your 340B program.
- ◆ Benefitting from Wellpartner's audit-tested, conservative approach to claims qualification coupled with our proven compliance track record.
- ◆ Advancing your ability to deliver and significantly increase community benefit and improving patient care.
