COMPLIANCE

Be compliant utilizing Wellpartner's exclusive solution that identifies discrepancies in multiple administrator's claims eligibility methodologies.

Getting it right when it matters most

Are you...

Concerned about avoiding common pitfalls that trigger audits?
Prepared to prevent duplicate discounts and diversion?
Concerned over how program integrity is being maintained by multiple 340B contract pharmacy administrators?

You can count on us.

Since initiating annual audits in 2012, HRSA has continued to increase the number of audits annually. These audits highlight the need for covered entities to respond to changes in 340B program guidance, and to rapidly ensure their internal policies and procedures remain compliant.

We've got you covered when it comes to ensuring 340B program compliance with our unprecedented solution that analyzes claims from multiple contract pharmacy administrators, and identifies those that are ineligible.

Delivering consistent, industry-leading results is what we stand for in everything we do. Optimizing your 340B drug program is our number one priority. We will work with you to get it right when it matters most.

**Wellpartner is your trusted partner
when getting it right matters most.**

wellpartner
COMPLIANCE

You can count on us with:

- ✓ Automating integration of all data sets required to accurately determine claim eligibility.
- ✓ Identifying claims which do not meet 340B eligibility requirements.
- ✓ Providing detailed explanations for invalid qualification.
- ✓ Streamlining corrective actions to comply with program requirements.

Your added value:

- ◆ Creating the ability to validate accuracy of 340B claims from multiple administrators.
- ◆ Ensuring the highest level of program integrity.
- ◆ Providing transparency, program oversight and audit readiness support.
- ◆ Increasing efficiency of administrative responsibilities.

BE COMPLIANT... we can help.
