

340B CLARITY™

A 100% transparent view into your 340B program, allowing you to maximize claim capture & monitor overall program compliance

Pending Claims:

- Complete view of pending claims, down to individual claim details
- Full control to validate encounter and Rx claims, identify reasons a claim is flagged, and accept or reject pending claims

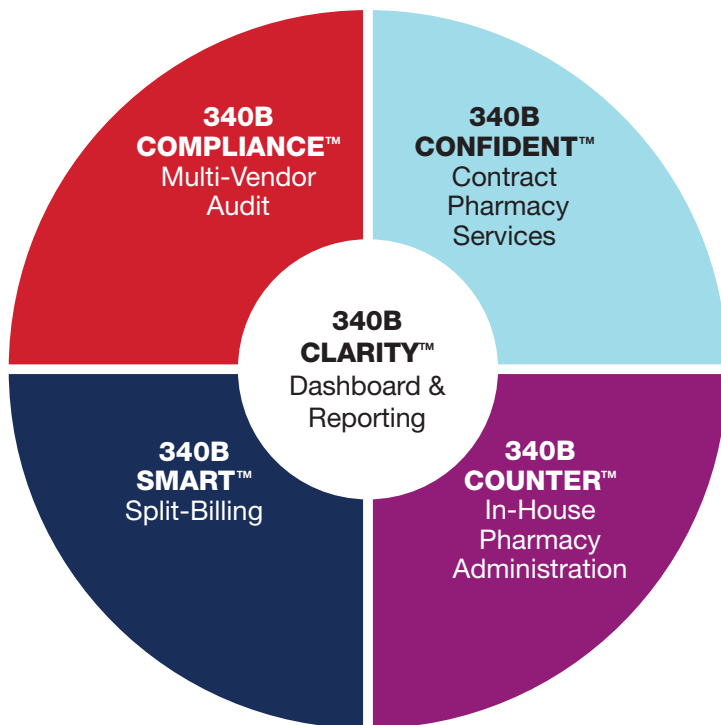

Audit Support:

- Access all claims data, including patient and prescriber information to use for internal auditing and validation of claims qualification
- Generate a self-audit of randomly-selected claims based on your own parameters that meet HRSA audit requirements
- Saves audit results to document 340B program integrity
