

340B COMPLIANCE™

Automatic validation of 340B claims for Covered Entities using multiple vendors

We've got you covered when it comes to ensuring 340B program compliance with our unprecedented solution that analyzes claims from multiple contract pharmacy administrators and identifies those that are ineligible.

- Provides actionable information to ensure program compliance
- Reduces manual effort needed to maximize program integrity
- Improves transparency, simplifies oversight, and increases audit readiness
- Drives consistent qualification of claims across your program
- Identifies variances across claims qualification methodology

Driving consistency, compliance and value in everything we do. Wellpartner optimizes 340B program value through: contract pharmacy administration services, multi-vendor audits, a 3-way split-billing solution, and a leading technology for tracking, reporting and self-auditing.

Industry-Leading 340B Program Management

Wellpartner is the authority in 340B program management and not only provides the best technology and broadest set of services, but also understands the complexities of your business. We are your strategic partner to optimize 340B program value.

You can count on us to:

- Automate the integration of all data sets required to accurately determine claim eligibility
- Identify claims which do not meet 340B eligibility requirements
- Provide detailed explanations for invalid qualification
- Streamline corrective actions to comply with program requirements

Your added value:

- Create the ability to validate accuracy of 340B claims from multiple administrators
- Ensure the highest level of program integrity
- Provide transparency, program oversight and audit readiness support
- Increase efficiency of administrative responsibilities
