

340B CONFIDENT™

Contract pharmacy administration using proven claims methodology to optimize 340B program value

Wellpartner's proven expertise in pharmacy network contracting, registration and management enables us to work with each of our clients to configure a solution that will optimize their 340B program. Providing a seamless integration across all data sources, we enable you to maximize 340B eligible claims capture.

- Provides contract pharmacy administration services and network building to optimize 340B program value
- Gives Covered Entities access to the broadest network of retail & specialty pharmacies
- Provides unsurpassed regulatory and compliance expertise
- Built with a proven claims methodology to ensure 340B program integrity
- Partners in client entity success through ongoing education, support and deep domain expertise

Driving consistency, compliance and value in everything we do. Wellpartner optimizes 340B program value through: contract pharmacy administration services, multi-vendor audits, a 3-way split-billing solution, and a leading technology for tracking, reporting and self-auditing.

Industry-Leading 340B Program Management

Wellpartner is the authority in 340B program management and not only provides the best technology and broadest set of services, but also understands the complexities of your business. We are your strategic partner to optimize 340B program value.

You can count on us to:

- Provide expertise in pharmacy network contracting, registration and ongoing management
- Deliver full inventory management, including replenishment and reconciliation
- Dedicate an account management team to educate, support and provide ongoing guidance every step of the way
- Produce claim-level detail reporting, including identification of pending claims for follow-up

Your added value:

- Access the broadest network of retail and specialty pharmacies
- Provide unsurpassed regulatory and compliance expertise
- Achieve compliance with confidence by avoiding diversion, duplicate discounts and inappropriate claims classifications
